# PRICE LIST 2026

Effective from January 1st 2026  
Official prices are in Euro (€) and include value-added tax (VAT)

# GENERAL CONDITIONS

This Price List includes all nautical services rendered by Marina Lav and is effective from January 1st 2026. Official prices are in Euro (€) and include value-added tax (VAT) in the amount of 25%.

Marina reserves the right to amend these prices at any time. Such amends shall be displayed on the Marina's web site.

This price list contains separate tables with prices for berth rental on daily, monthly, semi-annual (winter season), semi-annual (summer season), berth rental on annual basis and other services.

Prices are based on the vessel's length overall (L.O.A.). If the total length of the vessel exceeds a given category, appropriate category will be charged.

Marina Lav reserves the right to check the reported dimensions of the vessel. In case the reported length of a boat does not comply with the measurement, Marina Lav reserves the right to charge a different price based on the length (L.O.A.) and width obtained by the performed measurements.

This Price List also includes information about our Resort and everything that it offers.

## PAYMENT FOR SERVICES

All payments can be performed on the reception of Marina with cash, credit card (we accept: Mastercard /Eurocard, Visa, Diners) or via bank transfer. Marina Lav reception is at your service all year round.

## BERTH RESERVATION

Berth rental on monthly, semi-annual and annual basis can be reserved by paying in advance 30 % of the total berthing price according to the Marina Lav Price List. Upon the received confirmation of reservation Marina Lav sends the offer for advance payment to the boat owner. In case of berth cancelation by the boat owner, GRAND HOTEL LAV d.o.o. keeps the paid amount.

## CONDITIONS OF BERTH USE

All vessel users entering the Marina Lav – “Marina” – (Maritime Domain under Concession) are required to announce their arrival either via VHF radio channel 17, by contacting mariners at M. +385 91 444 4152, or Marina Reception at +385 21 500 388. This allows Marina to ensure the presence of mariners at the berth, depending on weather conditions and the number of incoming vessels, and maintain order in Marina. Vessels entering or leaving Marina must maintain a safe speed not exceeding 2 knots. Berth reservation is available via phone (at the marina reception), e-mail (on marina e-mail address). All unannounced vessels will be offered placements depending on the current occupancy of the marina. Berth use is possible only for the vessel for which the service has been paid. In case of contractual relationship termination, regardless of who terminated it, Marina Lav is not obliged to refund payments. In case of overpayment, no refunds will be made. Instead, overpaid amount is transferred onto the next service rendered. The marina prohibits the activities of external divers.

It is forbidden to perform any services within the marina without a written compliance from Marina Lav management.

All users of Marina Lav services are kindly asked to obey:

- ✓ Terms from the Price List of Marina Lav,
- ✓ General Terms on the use of berth,
- ✓ Regulations on Maintaining Order in Marina Lav - Nautical Tourist Port.

In case of non-compliance with the above, Marina Lav may terminate the right to use the berth.

# BERTH RENTAL IN MARINA LAV

Marina Lav is open all year-round. Depending on availability we can offer berth rental on daily basis, monthly berth rental, semi-annual (winter) berth rental, semi-annual (summer) berth rental and berth rental on annual basis. We also offer temporary berth service and half-day berth rental.

## TEMPORARY BERTH SERVICE, HALF-DAY, DAILY BERTH AND FEE FOR EMBARKING AND DISEMBARKING OF THE PASSENGERS

Temporary berth service (up to one hour on berth) for the purpose of embarking or disembarking of the passengers is charged with 25% of the daily berth rate and according to the price list and by the boat length.

Berths can be rented on a half-day basis for a use of berth up to four hours. Half-day berth is charged with 50% of the daily berth rate and according to the price list and by the boat length.

Daily berth rental is calculated for all vessels that stay on berth longer than four hours. Calculation of daily berth service starts with the acceptance of the boat in the marina and lasts until 14:00 hrs on the next day. Accommodation of the vessel after 14:00 hrs is calculated as an additional day. Daily berth is calculated for all vessels whose accommodation is charged at the end of their use of the berth.

Included in the price: daily berth in sea, use of sanitary facilities with showers and Wi-Fi Internet. Electricity and water service providing is charged extra based on the daily rates given in table.

Discount for daily berth: 10 % discount for staying more than 5 consecutive days, 15% discount for staying more than 10 consecutive days.

Organizers of regattas are granted a discount on daily berth fee depending on the number of boats as follows: up to 10 boats participating in the regatta – 10% discount, more than 10 boats participating in the regatta – 20% discount.

Vessels that have not preannounced their arrival, must inform Marina immediately upon their arrival as Marina is neither obligated to accept nor is responsible for their mooring and berthing. If such vessels are nonetheless accepted, one-time fee of 100 EUR will be applied due to non-informing Marina on actual arrival.

Vessels without existing contract for berth usage may be denied access and/or docking and/or any related services regardless to their announcement of arrival and/or information on actual arrival. If such vessels are nonetheless accepted, fee of 50 EUR per operation that includes both, embarking and disembarking of the passengers, will be applied.

In all cases, all services (e.g. berth rental, use of electricity and water, water tank filling service or use of water for washing the boat) will be charged in accordance with Marina Lav Price List, based on the vessel's length overall (L.O.A.). Stay in Marina is permitted only for the vessel for which all due amounts have been paid.
